Verse 1:

People walk around with fear on their face
Not knowing how to make it through this race
Families crumbling, stomachs rumbling, buildings tumbling down
What are we to do
We're crying out to You

Chorus:

We need More Jesus More Jesus
In our walk and in our day
As we work and as we pray
More Jesus More Jesus
Oh it's all about You
O Lord how we need You

Verse 2:

Why do we act like we're defeated
When God has given us all we needed
Have we forgotten who the Holy Spirit is
Don't we remember
How Jesus said to live

Chorus:

Bridge:

We try to do things our own way
And make decisions before we pray
The Lord told us what to do
He's the One
He's the One
He's the One we should be looking to
..The answer still is

Chorus:

Chorus 2:

More Jesus More Jesus
In our days and in our nights
In our hopes and in our fights
More Jesus More Jesus
Oh it's all about You
O Lord how we need You

Ending:

Lord make us brave and true
Give us strength to be like You
